The Authority has been requested to make available the proceeds from the sale of the Bonds, to be issued, in one series or in two or more sub-series, in an aggregate principal amount not exceeding \$35,000,000, to be used as part of a plan of finance involving one or more loans to The Mary Wade Home, Incorporated (the "Institution"), MW Healthcare, Inc., and Mary Wade Residence, Inc., nonprofit institutions duly organized and existing under the laws of the State of Connecticut (collectively, "Mary Wade"), the current main campus of which is located at 118 Clinton Avenue, New Haven, Connecticut 06513 (the "Existing Campus"). The loans to be made from the proceeds of the sale of the Bonds will provide moneys for the purposes of (a) refinancing a line of credit and a term loan, each from People's United Bank, made to Mary Wade in 2009 (together, the "2009 Loans"); (b) refinancing a loan from Bank of America, N.A. made to Mary Wade in 2016 (the "2016 Loan"); (c) funding a construction project fund for the construction, development, equipping and operation of the Series A Project (as defined below); (d) funding a debt service reserve fund for the Bonds; and (e) paying certain costs of issuance of the Bonds.

The 2016 Loan financed preliminary capital expenditures incurred in connection with the Series A Project, including expenses for design, architectural, engineering, development, marketing and financing feasibility studies of, and permitting for, the Series A Project.

The Series A Project consists of the financing of (a) reimbursement of the costs of acquisition of real estate at 138 Clinton Avenue, New Haven, Connecticut and 113 Pine Street, New Haven, Connecticut, (b) the construction, development, and equipping of an approximately 87,000 square foot building located at 138 Clinton Avenue, New Haven, Connecticut, comprising approximately 20 assisted living units, approximately 20 memory care units, approximately 50 units for residential care, and an adult day care center with related parking and other improvements, and (c) the equipping and renovation of a portion of the skilled nursing center located at the Existing Campus, to improve the short term rehabilitation area within the skilled nursing center.

All of the foregoing facilities and assets to be financed and refinanced with the proceeds of the Bonds are and will be owned and operated by Mary Wade.
